SAMBHAVAM IAS: IGNITING DREAMS, SHAPING INDIA

India, a nation of over a billion dreams, teems with aspiring civil servants from every corner, transcending socio-economic barriers. Yet, many of these bright minds find their paths obstructed by the stark reality of limited resources, preventing them from accessing top-tier coaching needed to excel in the civil services. Recognizing this profound need for inclusive education, the Sood Charity Foundation, under the compassionate vision of actor and philanthropist Sonu Sood, partnered with the Divine India Youth Association (DIYA) Delhi Chapter to launch a transformative initiative – 'SAMBHAVAM IAS.'

SAMBHAVAM IAS is not just a scholarship program; it's a beacon of hope for countless students from economically weaker sections. It offers free IAS coaching, mentorship, and holistic personality development, breaking down financial barriers and opening doors to a brighter future. This initiative stands as a testament to the power of community and compassion, dedicated to nurturing talent and fostering youth empowerment.

Launched on June 11, 2021, SAMBHAVAM 1.0 began with an overwhelming response from eager candidates. Through a meticulous selection process, including personal interviews, the program ensured that only the most deserving students received this golden opportunity. Building on this success, SAMBHAVAM 2.0 was launched in April 2022, with an astounding 50,000 registrations. After a rigorous selection involving an All India scholarship test and interviews, 2,600 students (1,400 for English medium and 1,200 for Hindi medium) were chosen.

The journey continued with SAMBHAVAM 3.0, unveiled during the grand event of YUVA ABHYUDAY on April 2, 2023. This phase aimed to extend scholarships to aspirants who, despite their immense potential, were on the brink of giving up due to financial constraints.

SAMBHAVAM IAS has not only opened new avenues for these young dreamers but also set the stage for building a New India. It is poised to play a pivotal role in shaping the future of our nation, one aspirant at a time. This initiative embodies the spirit of hope, resilience, and the unwavering belief that with the right support, every dream is achievable.
